“Thanks to the very skillful dental techniques and comforting care of Dr. Austin, along with his exceptional staff, I can smile with confidence. My new smile makes me feel younger at heart. Thank you, Dr. Austin and staff, for this lovely miracle in my life.”
—M. Sluga

“I needed my teeth to look their best. Since the dental work has been done, it has made a big difference in my attitude and confidence. This was a positive change in my life that made a big difference in many ways.”
—R. Johnson

DR. F. RICHARD AUSTIN

Dr. Austin graduated from Georgetown University in Washington D.C. with a Doctorate of Dental Surgery degree and has been practicing cosmetic dentistry in the Salt Lake City area for over 26 years. He is one of only a handful of Utah dentists to have completed the Advanced Dental Studies Master Aesthetic Dentist postgraduate program at the prestigious Las Vegas Institute (LVI). Out of the 150,000+ practicing dentists across the country, fewer than one quarter of one percent have attained this level of achievement.

Dr. Austin's emphasis is in full-mouth cosmetic reconstructions and state-of-the-art implant procedures using Nobel Biocare. With his experience and expertise, even full mouth restorations can be done in just two visits. In his practice, Dr. Austin has placed over 26,000 veneers/restorations. He has made it his goal to ensure that he has the skills, training, and technologies to provide every one of his patients with the best quality cosmetic procedures available today.

Dr. Austin is married with 3 children. He enjoys playing the piano, golf and water sports. He was born and reared in Ogden, Utah and is a 20 year resident

of Layton.

Whatever your cosmetic dentistry needs, from professional tooth whitening procedures to a full smile makeover, Dr. Austin's unique skills and experience will allow you to create the smile of your dreams.
